Meetings and Seminars, Mixers, Publications, Website

YOUR OPPORTUNITY TO REACH OVER 1600 ENVIRONMENTAL AND LAND USE LAW SECTION MEMBERS!

This is the ANNUAL SPONSORSHIP OPPORTUNITY for the Environmental and Land Use Law Section of The Florida Bar for 2016. The Environmental and Land Use Law Section of the Florida Bar provides a forum for attorney and affiliate members to share in the technical and legal knowledge which relates to the field of environmental and land use law. The Section provides seminars, publications, website information, as well as networking opportunities at all meeting events and attorney/affiliate mixers.

On January 28 & 29, 2016, the Section will hold its flagship two-day conference: New, Different, Unusual & Uncertain – Environmental & Land Use Law Issues Facing all Floridians, in Orlando. The conference will include numerous presentations on current, innovative topics. Attendees will include public and private attorneys specializing in the fields of environmental and land use law and many affiliate members, which include non-attorneys involved in environmental and land use issues. At the conference there will be an exhibition hall where sponsors can set up displays, demonstrate their products and services, and tell our members about new opportunities in the field. All Conference breaks and receptions will be scheduled there, giving you the maximum opportunity to reach new clients and customers.
