# YOUR OPPORTUNITY TO REACH OVER 1,300 ENVIRONMENTAL AND LAND USE LAW SECTION MEMBERS!

Thank you for considering a sponsorship with the Environmental and Land Use Law Section of The Florida Bar. The ELULS provides a forum for attorney and affiliate members to share in the technical and legal knowledge relating to the field of environmental and land use law. The Section provides seminars, publications, website information, and networking opportunities at a variety of meetings and social events throughout the year.

Along with you, the members of the Environmental and Land Use Law Section share a common interest in the laws surrounding Florida's environment, natural resources, species conservation, pollution and public health. We cannot accomplish the goals of the ELULS without the support of sponsors like you and appreciate both your time and generosity.
